---

Dear FPC Members,

The registration link is now up for the [FPC Annual Meeting Agenda](#). Please register at: <https://frec.vt.edu/fpc.html>

Registration will be \$220 for the two-day in-person meeting. The meeting will begin at 12 pm on Tues, Aug 9 and conclude with lunch on Wed, Aug 10, followed by the business meeting and an optional remote sensing workshop from 1:30-3:30 (more details to come).

We have added a virtual option for \$100. If you have someone coming from your organization in-person to the Annual meeting, then the rest of your organization will have access on zoom. If no one is coming to the annual meeting, only one registration per company is required and can be shared throughout the organization. We will send out a zoom link for those registered.

Looking forward to seeing many of you in August!

On behalf of the FPC team, thanks for your continued support!

Rachel Cook, Ph.D.
